

Projekt eTwinning z Grecją

W roku szkolnym 2012/2013 uczniowie naszej szkoły uczestniczyli w projekcie eTwinning ze szkołą w Grecji (Experimental High School of the University of Crete in Rethymno) w ramach Virtual E-Class group.

Jednym z owoców współpracy były wiersze oparte na akronimach, które zagranicznym kolegom prezentowały nasze miasto i region. Poniżej kilka prac uczniów naszej szkoły.

Live in a beautiful city

Uncover its secrets

Best part of my world

Lose yourself here

In the city of monuments

Next stop Lublin

By Ksenia Kowalczyk

Long history of Lublin is very interesting

Uplifting views of monuments

Beautiful old town

Landmark of Lublin is Cracow Gate

Impressive old buildings in the city

No one can say that my city is uninteresting or boring.

By Rafał Kuszner

Lublin is a pretty city

Unlikely to be sad here

Bystrzyca river flows here

Local people are cheerful and helpful

In our city there are beautiful views

Near is Świdnik, where there will be a new airport soon.

By Krzysztof Mischuk

Lublin, our city, we love you

Until we exist for you

Best in you are your parks

Like lungs for us

Important is your history

Nothing will destroy it.

By Bartosz Wiśniewski

Lovely sunset – you can see it here

Uncommon castle where once there were prisoners

Beautiful girls live in this city

Like an angel and like a kitty

In our city we have a wonderful old town

Now you have a reason to come around.

By Piotr Kawka

Legacy of our city is

Unique, you must experience it

Brave kings

Like heroes

Invincible even for the Sith

Nothing can destroy the Lublin Castle!

By Patryk Wawrzeński

Lovely place to live

Uncanny city with many secrets

Bright days – you can have here

Lublin coat of arms is a goat

In my city there are many universities

Navel of my world.

By Izabella Korczak

Life is easier here than in other places in the world

Unhappy – you'll never be in this city

Buildings are wonderful in old town

Long time you must spend here

I promise: you will

Never forget this place!
